Emergency numbers:

While we are on the road (not at Philmont) your son may carry a cell phone if you desire and you may use that number to contact him. If he is not taking a phone you may use either of the following numbers to contact us. The 3 nights I don't know about reception are August 3-5, but during the day we should have coverage.

Kevin Mahoney: (618) xxx-xxxx

Jeff Comrey: (618) yyy-yyyy

While we are at Philmont, the emergency number is:

(505) 376-2281

This information is also printed on the yellow tear-out card in the front of the Philmont 2008 Guidebook to Adventure. The above number is for **EXTREME** emergencies only. Since Philmont is so huge, it may take several hours for any message to reach us and at least that long for any response. Be sure to give the Philmont operator the **full name of the person** you are trying to reach and our **Expedition Number: 806-O**

Travel Uniform:

Class B will be acceptable for travel unlike our normal outings. Exception is that we will arrive at Philmont August 6 in Class A.

Personal Electronics:

Also unlike normal policies Scouts may bring phones, MP3 players, games, etc. for relieving the boredom of driving across Kansas and Oklahoma. One rule will definitely be in effect though -- All sound must be off (for games) or on headphones (games or music).
